In Memory Of Mr. Faidherbe

The 1981 Ingor is dedicated to the Senior Class and to Mr. Edward Faidherbe. Mr. Faidherbe was 37 years old when he was stricken by a heart attack. Patience, kindness, and a sense of humor were just a few of the qualities that made Mr. Faidherbe the man that he was. He taught special education at River Forest for 16 years, and during 1980 he was the supervisor of the Youth Community Conservation Improvement program (YCCIP). Together, he and his twelve workers united their efforts to make a clean, pleasant environment

throughout the school system. Mr. Faidherbe touched the lives of many people. River Forest will sadly miss his caring and dedicated service. His death has left a void that will not be easy to fill.

1981 Prom

The rainy night was no barrier to the couples who attended the "Moonlight and Roses" Prom on May 9, 1981. Although the night was dark and gloomy, a romantic moonlight glowed from within the Assumption Hall. The couples danced to the music of "The Escorts." The back wall was decorated with a large silhouette of a couple dancing, and the words "Moonlight and Roses" glittered nearby. A large bird cage with two doves hung from the ceiling and paper roses could be seen everywhere. Prom gifts included stickpins for the girls and necklaces for the boys, and everyone received a souvenir booklet. Refreshments for the couples included punch, hors d'oeuvres, cookies, and candy.

Medieval Dining At Its Finest

For their tenth year Mr. Brown and members of the choir presented the annual Wassail, a traditional Christmas dinner which places its guests in a medieval atmosphere. The Wassail features the bringing in of the Yule Log and boar's head and the entrances of Jeannette Isabella and Saint Lucia. This year Jeannette Isabella was portrayed by Denise Bookhamer and Saint Lucia was portrayed by Scherry Gamble. Other highlights of the Wassail include the flag waving and the steana. The flag waving uses banners that are used in the various districts of the medieval city of Siena, Italy. The steana, which symbolizes a large star, was once carried in Romania on Christmas night by carolers singing from door to door. The dinner concluded with the serving of the flaming Wassail punch. The entire dinner officially ends with the traditional 16th century toast, when the guests and choir join in saying, "May the spirit of the Christmas story enter all of our hearts and help us to carry love and goodwill wherever we go-until Christmas comes again!"

Jazz Fest

Jazz Fest V was held April 9 in the round. The River Forest Lab and Jazz Bands, Chesterton Lab and Jazz Bands, and the Crown Point Jazz Band performed at the Jazz Fest. Approximately 300 people attended.

Director Weldon Slater felt the Jazz Fest went very well. "It was much nicer this year because it was held in the round instead of the gym. The round has a nice atmosphere and better acoustics. The only problem was that the temperature was too warm," stated Mr. Slater. Mr. Slater thought the Jazz Fest was a helpful and enjoyable event, even though River Forest did not receive an Outstanding Soloist Award. "We had no time in class to work on solos. If we had, the whole ensemble would have suffered."

Ran Montano was a featured soloist at the Jazz Fest.

King And Queen

Jim Robison and Bertha DeLaRosa were the eighth grade King and Queen. Bryan Collett and Margo Dowd reigned as King and Queen for the seventh grade. The eighth grade court consisted of David Verduzco, Bobby Cawthon, Bobby Keene, Janice Zoladz, Lori Hokenson, and Collette Keene. The seventh grade court consisted of Darren Sobel, Tommy Parrillo, Jay Shelton, Carla Lemmon, Gina Ramos, and Tammy Castilleja.

Turnabout

Did it seem like love was in the air February 21, 1981? Perhaps you were one of the guests at the 1981 Turnabout where "Love is in the Air" was the theme. The decorations included the couples names written on paper hearts that were taped to the wall and hung from the ceiling. "Nova" provided the music, and the dance lasted from 7:30 to 10:30.

SPORTS

We Were Awesome

Head Football Coach Dennis Leonard was named Coach of the Year by the Hammond Times and the Gary Post Tribune. Leonard, in his third year of coaching, became the first winning football coach in the history of River Forest. His final season record was 6-3.

Freshmen Fail; Jr. High Has Split Season

The freshmen football season was a season of rebuilding. Only 15 players tried out for the team. This lack of depth resulted in almost every player having to play a full game on offense as well as defense, which accounted for the team's poor season. The freshmen didn't score all year and ended with an 0-4 record.

The junior high had a respectable season. They posted a 2-3 record, and had several outstanding players. Ray Palmer excelled at quarterback. Rick Gorby was an excellent runner, and Anthony Hill did a fine job on both offensive and defensive lines. The highlight of the team's season was the 20-16 victory over arch rival Lake Station.

The freshmen team included: Front row; Charles Purnum Mgr., Rich Tellez, Mike Barralini, Jimmy Dailey, Scott O'Kelly, Coach Jim Jones. Second row; Arthur Guel, Jerry Clark, Billy Pinter, Mark Worts. Third row, Rodger Eli, Ricky Sizemore, Doug Lerico, Roy Ortiz, David Bruns, Eddie Rusher

Tennis And Cross Country

The 1980 cross country team finished their dual meet season with 12 wins and 2 losses. The team won 11 meets before being defeated by Hobart High School 31-26. Junior Rusty Brown led the Ingors throughout the season. He placed first ten of twelve times in dual meets and also set the school record of 16:17 minutes for the fastest cross country. The tennis season was a rebuilding year. Steve Martin was the team's only returning letterman. Two others moved up to varsity from the J.V. last year. The team ended with 5 wins and 10 losses. The season highlight was a 3-2 win over Lake Station Edison.

Ingot Wrestlers Have Pride

The 1980-81 wrestling team finished another winning season. They ended with an 8-3-1 record. Senior Jim Somers and sophomore Edwin Hernandez led the Ingots throughout the season. Somers, a 138 lb. three year veteran, and Hernandez, a 98 lb. sophomore, became the first pair of River Forest wrestlers to place in the Regionals. In fact, Hernandez is the first sophomore to ever place beyond the Sectionals. He also has the distinction of holding the best sophomore school record, 20-3.

Varsity Basketball

Although the Ingots had the shortest Varsity team in R.F. history, they ended with a respectable season of 5-17. This losing record was respectable because 6 games were lost by 4 points or less and 2 games were lost in overtime. The Ingots, coached by Jim Samuel, defeated Chesterran in the first game of the Valpo sectionals. This third ever sectional win advanced the Ingots to the Semi-finals. Unfortunately, the inexperienced Ingots lost a heartbreaker to Portage 45-44.

Junior Gary Mathews, pictured above, was the leading scorer with 304 pts. and top rebounder with 272. John Hankins, also a Junior, was second leading scorer and rebounder with 271 pts. and 107 rebounds. The only senior on the team, Darris Harrell, was selected Mr. Basketball.

Varsity Baseball Season Slides

Inexperience hampered the varsity and J.V. baseball seasons. The varsity record was 7-15, however the season ended on a promising note. The varsity won their last four out of five games and went on to the semifinals in the sectionals. The freshmen failed to win a game. Above: S. O'Kelly gets in position at 3rd base. Top right: E. TRACK

Despite only winning a few meets, the Varsity Track team had its highlights this year. In the 400 meter relay, John Gaydos, Bill Knarian, Joe Rodriguez, and Donnie Sims set a record of 47.38 seconds, and in the 1600 meter relay, Ron Manzano, Junior Nieves, Larry Rios, and Bill Knarian set a record with a time of 3:39.6. Larry Rios set an individual record in the low hurdles with a time of 40.5 seconds. Junior Nieves also set an individual record in the 1600 meter run with a time of 4:38.

The girls' Varsity Track team had a very successful year because numerous records were broken. Kim Rheinholz set a school record in the 800 meter run with a time of 2:29. Anne Micic broke the high jump record with a 5' jump. The girls ended the season with an 8-8 record.

Take a Good, Hard Look at Tomorrow,

Today!

Because tomorrow is just around the corner, and your future will depend a lot on the decisions you make today.

Your career goal is probably the single most important decision you'll make, so consider it carefully. Consider your interests and skills, and then consider working for a company that will allow you the opportunity to develop and use them effectively.

At Inland Steel we like to bring out the best in people. We do it through training programs, and by offering growth potential. We need solid employees on the production lines, in the craft apprenticeships, in our laboratories, and in the offices.

We've built a strong reputation as a first-rate steel-maker, and we built it with the help of our employees. But we don't rest on past laurels. Like you, we're looking at tomorrow.
